Your Immigration Assessment Report

Personalised. Data-driven. Actionable. This is an **example report built with fictional sample information** — not a real assessment, a real person, or a real government decision.

1 Executive summary

1. Secure a Certificate of Sponsorship (UK)

2. Confirm degree recognition in Germany

A statement of comparability (anabin) resolves the only open Blue Card item.

3. Raise IELTS to CLB 10 / add French

Lifts the Canadian CRS score — up to +24 CRS, plus up to +50 with French.
